

West Suffolk Eye Clinic Drop in Session No. 3

Mr Raj Hanspal

Mr Usman Hussain

Following the success of the previous drop in sessions we are pleased to invite you to another evening where you can bring your questions, and cases to discuss with the consultants. It is a very informal session and those who have attended found it very useful and enjoyable.

CET has been applied for OOs only.

Thursday 21st September 2017 from 6pm onwards

(as this is a drop-in session it doesn't matter if you are late)

This time the session will be held in the Education centre room 16.
To help with organization please confirm your attendance to Liz:
