Novartis Ophthalmology Introductory workshop on clinical imaging, understanding DMO and service coordination

Ravenwood Hall Hotel, Rougham, Bury St. Edmunds
Friday 31st March 2017
9:00am-4:00pm

The objective of this meeting is for you:

- To gain an understanding of macular disease progression
- To understand role of co-ordinator and share best practice
- To develop and learn skills in imaging

Speakers to include: Athanasios Vardarinos (Chair), Abigail Irons, Aseema Misra and Nitin Gupta

RSVP: To express your interest in this event, or for any other queries, please email: neil.mcfarlane@novartis.com, quoting '**East of England Retina Education Meeting**' in the subject header. After expressing your interest, you will be sent an email link to register online. Once completed, you will receive confirmation of your registration.

Thank you.
